Carpet Cleaning

OLD WAY

The old way isn't a good way. To pound a carpet with a club is to ruin it sooner or later—generally sooner. It is very unpleasant work—ask the man of the house if it isn't. Neither do the neighbors appreciate the noise or the dust.

The New Way:

A modern machine, run by electricity, cleans your carpet without stretching or injuring it. A powerful blower removes all the dirt. And we lay it again for you at a small extra charge.

HALF A CENTURY

For nearly fifty years the **WORMWITH PIANO** has been made in Kingston. It has stood the test of time—the greatest test of all. Each year sees an increased out-put. ¶ A piano, which steadily gains in prestige and favor every year, for half a century, must have merit.

The Wormwith Piano Has Merit

It has more—it has a soul, as the best musicians will testify. We do not need to dilate upon its excellencies, ask any of the thousand and more users in Kingston. They will tell you.
